Prima LaPizza (2211 S. Wolf Rd) is a true delight to have as a Chamber member and in Hillside. Wonderful pizza, great Italian dishes, superb service and the white tablecloths for dining-in patrons add a touch of class. Thanks George, for sharing your recipes for all to enjoy!

Although I have been using **Quik Impressions** for the printing needs of the Hillside Historical Society for many years with great satisfaction, I had a recent opportunity to use this printing company for a personal project. Let me share with you my experience.

When my family decided to create a family cookbook, I immediately took the idea to Rick Smolke at **Quik Impressions** and he assured me he could do it. With a team of professionals, from start to finish, a family cook book was designed and produced. And, the finished project was better than I anticipated. A treasured family gift for the holidays! Would recommend **Quik Impressions** – absolutely!
